**Re: United States v. Steven Klein
Case No.: 19 Cr. 375**

Dear Judge Seibel,

On behalf of my client Steven Klein, I respectfully request a modification of his bail conditions so that he may travel to Vermont from December 28 to January 5 on a family ski trip. Mr. Klein would travel via car to Vermont and stay at an AirBnB. If approved, he would provide Pre-Trial Services with an itinerary of his trip prior to his departure and be available to communicate with Pre-Trial throughout the trip.

Pre-Trial has no objections to this request. The Government has no objection, provided Pre-Trial Services approves the itinerary.

Thank you for your attention in this matter. Should you require any additional information, please do not hesitate to contact me.

Respectfully submitted,

s/ Sam Braverman

Mr. Klein may travel as requested, provided all particulars are provided to and approved by Pretrial Services. (I do not know if he is paying for this trip, and I have no idea whether or not he will be found guilty. But if he is found guilty, he in all likelihood will have a restitution obligation that he may want to bear in mind when making spending decisions.)

SO ORDERED.
